Organisational
- Contributors to OEO [MS]

- We have many contributors that never actually contributed to OEO
  - https://github.com/OpenEnergyPlatform/ontology/blob/dev/CITATION.cff
    - nicht intuitiv, dass das die contributor sind, aber es muss authors heißen in dem Dokument. Vielleicht comment ergänzen
    - Documentation of citation.cff fields: https://github.com/citation-file-format/citation-file-format/blob/main/schema-guide.md#index
- We are open, but:
  - new contributors should be qualified for oeo-development, have enough time for contributing and introduce themselves to the team
  - Are there other requirements?
    - Academy course https://openenergyplatform.github.io/academy/courses/05_ontology/
    - take part in meetings
    - discuss/open issues
  - Update CONTRIBUTING.md (and other documents?)
    - bisher nur Anleitung für Implementierungen--> wiki/how to implement
    - CONTRIBUTING überarbeiten und requirements (Academy course, Meetings, Interaktion mit Issues) erklären und auf wiki verweisen, aber Details dann an anderer Stelle
    - wiki, Academy course und contributing nochmal lesen und sortieren
    - Read me als Einstieg, da die collaboration section ausarbeiten und auf den Rest verweisen
    - https://contributing.md/how-to-build-contributing-md/
    - --> CM übernimmt Strukturierung
      - issues-anderer Branch
